

Task 5 (0.4 mark)

It is strongly recommended to read CSIT115/815 Subject Outline before implementation of this task.

Answer the following questions and save your answers in a file `solution5.pdf`. You may find the answers in CSIT115/815 Subject Outline.

- (1) Explain what does it mean that the subject is *6 credits point subject*, i.e. how much time you have to invest into your work on 6 credits point subject?

Answer: We should spend 12 hours include lectures, tutorials and labs on a 6 credit point subject every week. (Page 3 “Attendance Requirements”).

- (2) Explain what happens when you skip more than 2 laboratory classes per session?

Answer: A TF (technical fail) will be given unless you have AC (academic consideration) approved by the subject coordinator (Page 3 “Optional Attendance Statement”).

- (3) Explain what happens when you result from the final examination is below 40% of the total marks available for the final examination.

Answer: A TF (technical fail) will be recorded even though a student has passed the subject (Page 9 “Technical Fail”).

- (4) Explain what you must declare when submitting the outcomes from an assessment task (laboratory or assignment work).

Answer: You must declare the following

1. It is your own work and you did not collaborate with or copy from others.
 2. You have read and understand your responsibilities under the University of Wollongong's Academic Integrity Policy on plagiarism.
 3. You have not plagiarised from published work (including the internet). Where you have used the work from others, you have referenced it in the text and provided a reference list at the end to the assignment.
- (Page 12 “Plagiarism – University’s Academic Integrity Policy”).
